

# Y-Kids

Before & After School Care

Silverstream

We have a commitment to the development of our Y kids while they are under our care. We do our best to ensure our activities fall into the following three categories: Active, Lifeskills and Create.

Energetic games designed to support fundamental movement, teamwork and being on the move in a supportive environment.

A range of activities which encourage self expression and to explore new mediums and techniques

Preparing our tamariki with diverse skills to navigate their way through their development and their experiences.
