**Phone: 0800 YMCA 4U**

**Mobile: 027 335 0183**

**Email: [raroa.asc@ycentral.nz](mailto:raroa.asc@ycentral.nz)**

Hello my name is Janet (Jan), I am the Centre Manager at Raroa. I love working with children and young people and have been supporting a wide range of people for well over 20 years, gaining a social work degree along the way. I came to live here in Wellington in 2002 and am originally from England. Yes I do love a good cup of tea. I love the sea and am fortunate to live near the south coast. I love being creative especially anything with fabric or wool, photography and painting when I get the chance. Also enjoy swimming and walking, especially along the beach.

We are a friendly centre here at Raroa intermediate school. We have lots of space inside and out. We have our own hall with lots of resources including an air hockey game, lots of other games, paints, slime ingredients and plenty of other great stuff in our brilliant store room. Just have a look, it's like Aladin's cave, it's brilliant! We can use the courts outside, the play ground and the covered court up the top of the school, so there is no excuse for not being active here. We have plenty of balls and sports equipment. Our team are enthusiastic and well trained, we love to have fun and will include you in any game you wish to play. We love to bake and most weeks something yummy comes out of the kitchen. We have lots of games and regularly make our own games up. We are a creative bunch here and will include you in our games and fun. We love having visitors so come and see us. We are just up from the car park very near to the entrance to the school. See you soon

**After School Care 3pm to 6pm \$18.20**

**Contact us for more info or register online here.**
