We are a small After School Programme that is based in a lovely Catholic School setting in Plimmerton. We cater from year 0 to year 6 and we offer a variety of activities, planned and unplanned, indoors and outdoors depending on the day. These include swimming in the school pool (summertime only) outdoor games, cooking and creative activities that support and enhance children's play experiences. St Theresa's offers a great indoor space and easy access to large outdoor play area. We also have a quiet area set up for children to unwind and relax at the end of a school day. Our Leaders are passionate about children and our motto is to provide a space that is fun, safe and exciting where children can be themselves.
