

YMCA Trentham

Out Of School Care

Centre Manager: Stacey Anthony

Phone: 0800 YMCA 4U

Mobile: 027 704 7093

Email: trentham.asc@ycentral.nz

Kia ora, my name is Stacey I am a mother of two beautiful teenager daughters who keep me busy . I am an honest up-front bubbly person with a good sense of humour. My hobbies are going to see live music, my favourite band is Fleetwood Mac, I enjoy taking my dog for walk along the beach. I love being creative and making delicious fudge. I have a passion for taking photos. I've just started doing a mindfulness course which I am loving. I've also recently started back at the YMCA gym and I'm really enjoying it!

At The Y Trentham we like to say we are big family! We have close relationship with the school and if there is disco or any other events happening, we are there supporting them. When you come to Trentham you will notice a very bright room filled with amazing artwork from our talented students. At Trentham we have lots of passionate children who love crafts and art. We believe fitness is key to a healthy lifestyle and children love to do Just dance or Jump jam in the afternoon. Its great way for all of us to join in. We have also been known to do children yoga with cosmic kids on YouTube. Each staff member have their different passions. We have staff who love to bake with children, do art, crafts, make friendship bracelets and do nail art play group games and sport. On Fridays we do 'Fun Fridays' and do fun things like face painting! Our mornings are a lot more chilled, the children love to move and play before their school day.

Please feel free to come and see us before your child starts. Look forward to seeing you in the near future.
